ARMY & NAVY WEST POINT DINNER SATURDAY NIGHT IS GREAT SUCCESS; 34 CLASSES THERE

The West Point dinner to commemorate the 115th anniversary of the United States military academy, was held at the Moana Hotel on Saturday evening and was a grand success, all the "old guards" on the island attending the reunion and renewing old acquaintance. About 140 officers, ranging in rank from brigadier general to first lieutenant, attended the celebration, 34 classes being represented.

Gen. Edward Davis, a resident of Honolulu, represented the oldest class present, that of 1867; while Lieut. Britton, Sharrar and Guyer represented the youngest, the class of 1916. The class of 1912 was represented by the largest number of officers, 12 being in attendance.

During the evening a special orchestra, organized and directed by Francis Leigh, band leader of the 32nd Infantry, furnished the music for both the concert and songs. An improvised platform in one end of the banquet hall was occupied by the orchestra and was utilized for the stunts.

Gen. Strong ably officiated as toastmaster and the first toast proposed by Gen. Treat to the president of the United States was drunk standing. Col. Guignard spoke on the subject "When West Point Goes to War," and Maj. Logan's toast to "Alma Mater" was a humorous nature and brought down the house. Lieut. McGregor told the "old grade" that "West Point Ain't What It Was" and had his humorous description concerning the reception of new cadets when they enter the academy as plebes been strictly correct. It was evident that a radical change had come over the old method

of taking in the "beasts."

Capt. R. E. D. Hoyle acted as cheer leader and "long corps yells," starting with one for Gen. Davis, were kept up during the evening. Capt. Mettler was in charge of all arrangements and unanimous votes of thanks were tendered to him and to Mr. Moroni, manager of the Moana Hotel, who provided an excellent menu and service.

Three dark-face comedians from the 25th Infantry furnished "stunts" which were very acceptable. Their rough-house dancing was of an exceptionally high order and their conversation included jokes that referred to West Point and to the officers present. Capt. E. F. Rice impersonated a Swede congressman from Wisconsin and he informed the graduates of the academy what he thought of the army and what they might expect congress to do for them. During the evening "cablegrams" were received from all over the world from persons of note, including Kaiser Wilhelm, "Pancho" Villa, Czar Nicholas and the Emperor of Japan; these being among the hits of the evening.

Among the pleasant surprises of the evening was the announcement that Prof. Dr. John A. Brashers, an adopted member of the Class of 1911, was present and would give a talk. Prof. Brashers, a noted engineer who is remembered by all recent graduates as a lecturer in the department of philosophy at West Point, is a great favorite with the cadets. He is stopping between boats at Honolulu on his way to the mainland from Japan, and his presence and talk were greatly appreciated.

Fort Shafter Notes

(Special Star-Bulletin Correspondence)
FORT SHAFTER, Mar. 19.—A most delightful informal dance was given at headquarters building Fort Shafter on Friday evening, for the benefit of the kindergarten school. The arrangements were in charge of Mrs. Cohen, Mrs. Rosson and Mrs. Breitfield, and these ladies fully demonstrated their ability by the enjoyment of those attending. Refreshments were furnished by the committee and served on the west lawn. The music was furnished by the 2nd Infantry, which is noted for its spirited dance music, and did not disappoint the dancers on this occasion, being under the able direction of Band Leader A. Jacobsen.

Many friends of Sgt. McAniff, who was stationed at Fort Shafter with Company E, Signal Corps, will regret to hear of the painful accident he met with when thrown from his horse. His collar bone was broken and other minor injuries received. It is hoped he will soon recover and be back to duty.

It is earnestly hoped that the parents will send their children as usual to the Sunday school, which is held every Sunday morning at 9:30 in headquarters building, second floor. There seemed to be some idea that the Sunday school would be closed after the chapel left, but the ladies are carrying on the good work, so next Sunday let all the children be present.

One of the most enjoyable children's parties was that given on Wednesday afternoon, celebrating the sixth birthday of little Lenore Ely, the attractive daughter of Sgt. and Mrs. Ernest Ely. The decorations were carried out in pink and white color scheme, the table being very lovely, and having a beautiful birthday cake as its centerpiece. At every child's place was an attractive Easter egg. Many interesting games were played, chief among them being "Pinning Bunny's tail on," which caused much merriment. The fortunate "pinner" was Miss Virginia Rosson, who was presented with a dainty little book as a prize. After the games the guests all bade their little hostess a reluctant goodbye, and will be looking forward to

MEN OF 25TH INFANTRY ENJOY ADDRESS GIVEN BY BISHOP LEONARD

(Special Star-Bulletin Correspondence)
SCHOFIELD BARRACKS, March 18.—The officers and men of the 25th Infantry had the pleasure Friday afternoon of hearing a philosopher and orator in the person of Bishop Leonard, who addressed them upon patriotism. The bishop placed much emphasis upon moral courage as being the first requisite necessary in the making of a good soldier. He also outlined the Civil War in a most dramatic manner and showed the responsibility that rested upon President Lincoln at a time when despondency has hanging over the country like a great cloud and that such times demand a man of the keenest intellect and diplomatic conceptions.

The bishop compared President Wilson with President Lincoln, showing that Wilson has shown similar good courage and judgment in this most critical epoch which the United States is now facing.

The officers and men of the regiment feel that they have been given the one big treat of the year in hearing the bishop's address and that his visit to Hawaii is a great asset to the lovers of oratory.

Bishop Leonard, Mrs. Leonard, Rev. W. H. Fry, superintendent of Methodist missions, and Mrs. Fry were the guests of the regiment and later the guests of Lieut.-Col. Albright and Mrs. Albright at tea.

PHYSICAL EXAMINATION FOR ADMISSION TO WEST POINT TO BE TOMORROW

A physical examination of applicants for admission to the United States military academy at West Point is to be held at Fort Shafter, March 20, at 9 o'clock before a board composed of Maj. E. H. Hartnett, Medical Corps; Capt. W. E. Hunt, 2nd Infantry; Capt. Edwin S. Harbison, 2nd Infantry; Capt. Leopold Mitchell, Medical Corps, and 1st Lieut. C. A. Hardigg, 2nd Infantry.

Railway traffic in Spain is to be placed under the control of committees headed by the director-general of the public works.

having just such a good time next year.

A Delicious Breakfast Dish

Grape-Nuts, the ready-cooked Breakfast Food, has a unique flavor of its own, and once tried remains a favorite.

The delicious and fascinating taste is not its chief merit, however. During the process of manufacture the starchy parts of the cereals (wheat and barley) from which the food is made, are turned into the slightly sweet, sugary substance known as Dextrose, for easy, quick digestion.

Practical experience shows that even weak stomachs can digest it, and the powerful, nourishing qualities make themselves felt after a few days.

Grape-Nuts

Food is fully cooked at the factories and ready to serve with cream of milk (hot or cold).

Wants Others to Know Remedy That Helped Him

MR. CHAS. FROELICH

Ill., and can be purchased in Honolulu of Benson, Smith & Co., wholesale distributors, and leading drug stores; a doctor's prescription is not necessary. Fruitola is a pure fruit oil that acts as an intestinal lubricant and disintegrates the hardened particles that cause so much suffering, discharging the accumulated waste to the sufferer's intense relief. One dose is usually sufficient to indicate its efficacy. Traxo is a tonic-alternative that is most effective to rebuild and restore the weakened, rundown system. A booklet of special interest to those who suffer from stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Illinois.

Can't Understand How He Was
Cured So Quickly After Suffering Nineteen Years.

For nineteen years, Mr. Chas. Froelich, R. F. D. No. 2, Gorham, Kansas, suffered from stomach and kidney trouble. He tried all the doctors for miles around but got no relief, and had about given up, when Mrs. Froelich read in the Kansas City Post about Fruitola and Traxo and what it had done for a man with stomach trouble. He says, "She sent for Fruitola and Traxo and from the first I felt better. I only took two bottles and am well now and can eat and work like a young man. Fruitola and Traxo did it and I'll do all I can to get others to try it."

Fruitola and Traxo are compounded from the original Edsall formulas at the Pinus Laboratories in Monticello, the Pinus Laboratories in Monticello, Illinois, and leading drug stores; a doctor's prescription is not necessary. Fruitola is a pure fruit oil that acts as an intestinal lubricant and disintegrates the hardened particles that cause so much suffering, discharging the accumulated waste to the sufferer's intense relief. One dose is usually sufficient to indicate its efficacy. Traxo is a tonic-alternative that is most effective to rebuild and restore the weakened, rundown system. A booklet of special interest to those who suffer from stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Illinois.

URGES HOUSE TO BE ECONOMICAL

To date the house has spent \$4123.35 from the federal, and \$9027.83 from the territorial appropriation, Speaker H. L. Holstein reported today. This leaves a balance of \$13,570.65 in the federal and \$20,372.72 in the territorial fund. Speaker Holstein urged chairmen of committees to cut down expenses as much as possible.

Up to last Saturday 299 bills had been introduced in the house, 132 more than at the same time two years ago.

WHY RHEUMATISM COMES WITH COLD WEATHER

(By Valentine Mott Pierce, M. D.)

A close connection exists between these two—cold weather and rheumatism. Prof. Alex. Haig of London has the most followers in the medical profession in the belief that the presence in the system of uric acid, or its salts in excess, is the real cause of rheumatism. Every one has recognized the difference in the appearance of their water as soon as it gets cold; there is often a copious sediment of "brick-dust."

Several causes may lead up to an accumulation of uric acid in the system, which, in turn, causes rheumatism or gout, or crampy joints, swollen fingers, or painful joints. For one reason the skin does not throw off the uric acid, by profuse sweating, as in the hot weather, and the kidneys are unable to take care of the double burden. Another reason is that people do not drink as much water in cold weather as in summer, which helps to flush the kidneys. Again, they eat more meat in cold weather, and some people are so susceptible that they soon develop rheumatism after eating meat.

At all such times persons should drink copiously of hot water, say a pint morning and night, and take Anuric (double strength) three or four times a day. This Anuric comes in tablet form and can be had at almost any drug store. It dissolves the uric acid in the system and carries it outward. I would advise everyone to take Anuric occasionally, and continue for three or four weeks, and in that way avoid rheumatism, gout and many of the painful disorders due to uric acid in the system.

Make yourself healthy and strong by open-air exercise and diet. Then cleanse the liver by occasionally stimulating its action with a pleasant laxative composed of the May-apple, dried juice of aloe, and root of jalap, sugar-coated and long sold by all druggists as Dr. Pierce's Pleasant Pellets.—Adv.

WATER POLLUTION BILL AS WRITTEN OPPOSED BY HAWAII

Copies of resolutions passed by the Hawaii county supervisors and relating to legislation now before the lawmakers, reached the house today.

The big island supervisors ask that the bill to prohibit the pollution of waters and streams be not passed unless amended not to become effective in cities not having yet constructed adequate sewer systems.

RESOLUTION SEEKS INVESTIGATION OF BOYS' REFORM SCHOOL

An investigation of alleged harsh and cruel punishment of inmates of the boys' industrial school at Waialeale is provided for in a resolution introduced today by Representative Kelekolio. The resolution says it has been reported to a member that boys have been whipped in an unusually severe manner and asks for a special committee of three to be named to investigate.
